Discussed Turkey Trot. Will send a check to settle accounts for past years. Also voted on discontinuing SPRR involvement with Turkey Trot. Going forward there will be no use of any club resources by the Thanksgiving Day Community 5K Turkey Trot.

Reviewed upcoming events that have requested use of the clock. We already have several events for 2017 and can use help with the clock. If anyone is interested in helping to time events the clock is fairly simple to use and we could use the help.

Thanks
Kev
