

South Penn Road Runner Club

The January meeting was held yesterday.

Dues for 2018 are due. Membership form is on the club site.

We will be timing a run on March 17th at Codorus state park. We can always use help with the clock. Reply back or contact Jim if interested in helping. Race details are on the club site under local races.

Also, on the club site you will find the 2018 club calendar with dates for all the events we have scheduled. This will be updated during the year.

In addition, there is Summer series info and an updated presidents message on the site.
