

Summer Series #4
June 12, 2017
Shepard Myers Dam 4.5 mile team run

A nice evening to run. Results below from the team run at Shepard Myers Dam. Teams were determined by a random draw and team members times were combined to determine finish place. Since we did not have an even number of runners, at random one runner's time was doubled for their result

Next run in 2 weeks will be at South West cross country course.

Thanks to all who helped.

Kev
