

## Summer Series #8 August 22, 2017

Congrats to all for outrunning the oncoming storm. Results are below for the 4 mile predicted time team run tonight. Runners predicted their time before the start and watches were not allowed. The actual times were then compared to the predictions and the differences were combined to determine the team time.

Since this was the final series run for the year, the champions are:

1st woman, Bonnie Busby  
2nd women, Beth Fox  
1st man, Tim Groft  
2nd man, Pete Dodd

I have also attached a couple photos courtesy of Stan Carbaugh.

Thanks to everyone who helped make this another successful Series including Jim, Marie, Faye, Randy W, Randy B, Jeff, Stan and anyone I forgot.

Thanks  
Kev
